2009 World Masters Games – Sydney, Australia

Anyone up for lawn bowling at the World Masters Games in Australia being held from the 10th to the 18th of October in 2009?

It would be a fun trip and great way to meet other lawn bowlers from around the world – check it out on the website at:

CAMERON CUP WINNERS!

The Oak Bay Lawn Bowling Club has won the Cameron Cup for the second year in a row! This Cup is awarded to the club who has obtained the most points in all BSI tournaments for the year, inclusive of Men's, Women's and Mixed tournaments. Well done to everyone who bowled in the tournaments and who helped us achieve this honor! It is one that all competitive clubs covet!

The Cameron Cup is currently undergoing refurbishing and will eventually take it's rightful place in Carnarvon House!

Message from the President

This will be my last Newsletter and there is very little to say other than to thank each and every one of you for your participation in the activities of the Oak Bay Lawn Bowling Club and for allowing me the privilege of being your President for the past year.

A busy year it has been and I could not have survived the year without the support of each member of the Executive. A successful project such as the Carnarvon House Expansion Project does not happen overnight, but with the commitment of a host of players headed up by Harnam Grewal and Gary Suter, the expansion became a reality for all to enjoy.

I have enjoyed my term of President immensely and now it is time to pass the work.....I mean, torch, to our new President, Marilyn Turpin. I know you will provide your support to Marilyn as you did to me and I wish her a successful year as she leads the club to bigger and better things.

My thanks to all of you for what you do for our club.

Joan

Not on the Internet?
Not receiving regular communications from the Club?

Currently, 78% of our club members have access to email through the Internet. This is more than we could have hoped for and it has made for ease of communication this past year to keep all our members informed in a timely manner.

However, there is a concern about the 22% of you who do not have email! As most of you know, email is the #1 form of communication in this day and age! I would like to suggest to those of you who do not have email that you have someone in our club download the emails for you or, alternatively, provide Member Services executive member Dolores Troyer with an email address that we can send your emails to – maybe a friend or a relative? Ask someone that you see frequently and who wouldn't mind running off a copy of the email for you.

We don't want anyone to miss out on club news that is hot off the press!

Cheers, Joan
